

Veteran Friendly GP Practice
Remembrance Sunday November 2022

We, at Campden Surgery are proud to be an accredited Veteran Friendly GP practice and to support our veteran community this Remembrance Day.

As a Veteran Friendly GP Practice, we:

- Have a clinical lead for veteran health Dr Manuel Villarreal-Reales who is supported by the whole practice to improve veteran health services.
- Ask patients 'Have you served in the Armed Forces?' to help identify veteran patients and code them on our system.
- Support veteran patients to access dedicated health services.
- Undertake regular training and development to meet the health commitments of the Armed Forces Covenant and better understand the needs of veteran patients.

If you're a veteran patient, please let us know that you have served so that we can make sure that we understand your health needs.

A University of Chester study revealed that the Veteran Friendly Accreditation programme, which is run by the Royal College of General Practitioners in partnership with NHS England, leads to better healthcare. To find out more about the veteran friendly practices accreditation scheme, visit www.rcgp.org.uk/veterans
