

Monthly Newsflash

We hope you have all had a lovely summer and have managed to keep well in the heat.

Thank you to all of you that offered air-conditioning units in the heat wave, we were very grateful

Survey

This month we will be producing our annual patient survey with the help of our patient participation group; we encourage you to complete this which will be available online and in paper form at the surgery.

Flu season

Flu and covid time is approaching, we will be sending out invites in due course, please do not telephone the surgery to check as we do not have the capacity to deal with these types of queries.

Staff updates

We said goodbye to Dr Bryson last month, we wish him well in his future career.

We welcome two new doctors who are fully qualified doctors training towards their speciality, Dr Sophie Murphy-Oconnor and Dr Oliver Chester, they will be with us for four months.

We have long term sickness in our nursing team so please be patient when booking appointments
